

FULL STACK ENGINEER BOOTCAMP 2.0

BOOTCAMP

HELLO!

I am Miguel Sánchez

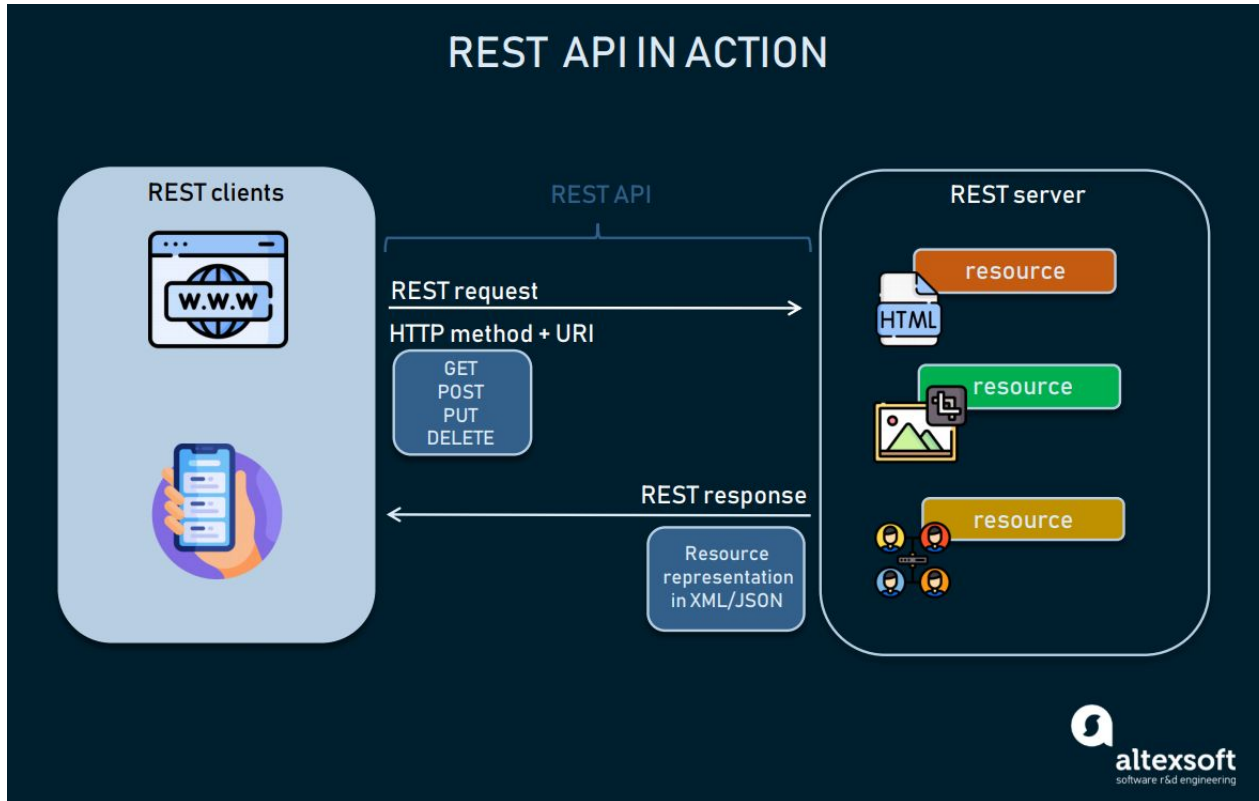

I'm here because I love to
code and share it!

You can find me at

[linkedin.com/in/miguelsing](https://www.linkedin.com/in/miguelsing)

REST API Concepts

How do REST APIs work?

REST API Design

REST API Design

Method	URI	Description	Response Status code
GET	/products	Get a list of products	200 - OK
GET	/products/{id}	Get a single product	200 - OK 404 - Not found
POST	/products	Create a new product	201 - Created
PUT	/products/{id}	Update a product	200 - OK 404 - Not found
DELETE	/products/{id}	Delete a product	204 - Not content 404 - Not found
POST	/orders	Create a new order	201 - Created

Tech stack

A solid teal horizontal bar spanning the width of the slide, positioned below the 'Tech stack' text.
